The Finance Act, 2020 has introduced Tax Collection at Source (TCS) provisions in the Income-tax Act, 1961 ("the Act") which require seller of goods to collect TCS on consideration received in excess of INR 50 lakhs in a Financial Year, towards such sale of goods. While determining applicability of TCS, Dell would evaluate relevant provisions of the Act including analysing whether taxes have been deducted under section 194Q or under any other provisions of the Act. Hence, while making payment, you are requested to provide the payment details along with details of tax deducted (if any) including the rate and section under which tax is deducted.

Where it is determined that TCS is applicable for any transaction(s), Dell, in accordance with the provisions of the Act, reserves the right to charge / collect / adjust TCS through an intimation in any form including by way of a debit / credit note, invoice(s) or any other means.
